Together, we will do our best for Jesus

"The water that I will give them will become a spring of water within, welling up to eternal life." - John 4:14

Dear Parents and Carers,

This week has been cold and the brief snow flurries have brought the children so much joy.

Parent Survey:

A huge thank you to all of those who have completed our parent survey already. If you have not done so yet, please do complete it as we are a school who strive to improve and your feedback will really help us with this. Thank you.

New Playground Equipment:

Our final piece of new playground equipment has been installed. A huge thank you to the Parents' Association who helped to fund this. The children love it and will gain years of enjoyment from it. Thank you to our PA and to all our parents who support PA events.

Nut Free School:

We are a nut free school and we have children with severe nut allergies. We are seen increasing Kinder Buenos in school packed lunches and these are filled with hazelnuts. Please remember that most chocolate spreads, peanut butter and a range of chocolate bars contain nuts. Please do not place these items into your child's lunchbox. Thank you very much for your support.

Cold Weather:

The cold weather is continuing into next week. We try and get the children outside as much as possible so please do ensure they have a coat, hat and gloves.

Have a wonderful weekend.

Kind regards,
Mrs Ashworth

Medical Tracker update:

Since introducing the Medical Tracker for the management of first aid and medical conditions, the system has been working well.

A reminder that an e-mail will be sent from the medical tracker system detailing the nature of the incident and the treatment provided in the case of a minor injury. If the injury involves any form of head bump/injury, the e-mail will detail the NHS guidelines for head injuries. However, please do not be alarmed, this is just so you can be aware of signs to look out for when your child returns from school.

Please note that first aid notifications sent by e-mail are for your information only and we will always call you if we have any concerns regarding your child's health.

Sport News:

12 Year 3 and 4 children practised and improved their badminton skills at this week's Racket Skills Festival - well done to all those children!

Matchday Experience Saturday 27 January. Please see the separate email send yesterday to all KS2 children's parents. This promises to be another action packed and fun day for the children, all **free of charge!!**

Online Safety:

Staying safe on a PlayStation

Internet Matters have teamed up with Sony Interactive Entertainment to create a quiz that you can play with your child to see who knows more about the safety options available on a PlayStation. Play the quiz here:

Ollee - your virtual friend

Parent Zone have created 'Ollee,' a virtual friend that asks your child how they are feeling and provides ideas and advice to help. Ollee is aimed at 8-11 year olds. You are also able to use the app to find advice around any issues that you think your child might be having.

You can find out more here: <https://parentzone.org.uk/ollee>

Grand opening of our new library:

Children will be able to borrow books from the library from next week.
