

The water that I will give them will become a spring of water within, welling up to eternal life.
JOHN 4:14

Springhill Catholic Primary School Year 3 Curriculum Update

Summer 1—2024

Dear parents and carers,

Welcome to our half termly newsletter which will give you a flavour of what your child will be learning and experiencing in year 3 during the upcoming half term. We hope you find it useful.

Wow! This half term is going to be amazing. We will be starting the half term with an Easter Mass on **Wednesday 17th April**. We will be celebrating a further two masses in May—Ascension and Pentecost. On Friday we are starting our Egyptian topic in History with an Egyptian day. Another date for your diary is **25th April** when Year 3 will be having 'Art on Wheels' at school. The highlight of the half term (and probably the year) will be our sleepover which will be on **Thursday 23rd May**. We would like to invite parent and carers to an information event on ZOOM on **Tuesday 30th April at 6pm**. We will be able to share all the information with you and answer questions. This half term will involve lots of new learning, as well as consolidating knowledge. **RE** - we will be learning about Easter and why it is important to share a meal.

Writing - our fiction writing will be based on the traditional tales—Red Riding Hood and Cinderella
Reading— our class novel is George's Marvellous Medicine.
Maths—we will be completing our fractions learning and then moving onto using money.
Science— we will be learning about our skeleton and muscles
Art—we will use pens to draw textures and colour mixing paints.
Computing—we will be using our desktop publishing skills to communicate messages.
PE—we will be playing tennis perfecting our forehand and backhand shots.
PSHE—we will be exploring life in the wider world and jobs people have.
French—we will be learning 10 fruit names and be able to express opinions.
Music— we will be able to read musical notation and understand why a stave is used.

Please remember to read daily with your child and complete the reading challenge. Daily reading will ensure your child has the best start in life.
