## Together we will do our best for Jesus

“The water that I will give them will become a spring of water within, welling up to eternal life.” - John 4:14

### Dear Parents and Carers,

It is hard to believe that we have one more week of school left before the half term, and then we will start our final half term of the academic year.

### Y6 SATs:

Our year 6 pupils were amazing this week, completing all their end of Key Stage 2 assessments. They were happy, smiling and relaxed throughout. A huge thanks to our governors and Deacon Andy who came in to check in on the administration and Deacon Andy for all his prayers and biscoff for the children's breakfasts. Thank you to our amazing staff who have prepared the children well and for all their ongoing hard work.

### Ascension Mass and Liturgy:

A huge thanks to Deacon Andy and Fr Paul for our wonderful Ascension mass and liturgy today. They were beautiful services as always.

### Next Week:

Next week is full of fun at Springhill:

Monday – Year 1 Superheroes dress up day, FEG and FCL – library visit and picnic.

Thursday – Year 3 sleepover in school, FDH library visit and picnic, Year 2 Marian Procession.

Friday – Dress down day for the Parents' Association – children can come to school in their own clothes in exchange for a tombola donation.

I hope you enjoy the weekend.

Kind regards,  
Mrs Ashworth  
Head Teacher

Springhill is a diverse community which we are proud of. If English is not your first language - you can copy and paste school emails and newsletters into google translate and they will be changed to your preferred language:

## Online Safety:

### Online Gaming – Staying Safe While Playing

Online gaming is a popular way for children to relax, socialise, and have fun. Many games include chat features, allowing players to talk to others around the world. While this can be exciting, it also introduces potential risks.

Children may be chatting with people they do not know in real life. Not everyone online is who they say they are, and some individuals may try to build trust with children for inappropriate reasons.

Another consideration is language and behaviour. Some online spaces can include unkind or inappropriate comments, which children may find upsetting.

To support your child, it is helpful to take an interest in the games they play. Ask them to show you how the game works and who they play with. This helps you understand their online world and opens up opportunities for discussion.

Check privacy settings together and consider turning off public chat features where possible. Encourage your child to only play and communicate with people they know.

Remind them that if something makes them feel uncomfortable, they should stop playing and tell a trusted adult straight away.

With the right guidance and boundaries, gaming can remain a fun and positive experience for children.
