Together we will do our best for Jesus

“The water that I will give them will become a spring of water within, welling up to eternal life.” - John 4:14

Dear Parents and Carers,

It has been a wonderful week with the children enjoying their sports days.

Sports Days:

A huge thanks to Mr Sutherland and Mr Kay for all their hard work in bringing together sports days. The children had a wonderful time taking part in a range of activities and they enjoyed all the parents watching.

Online Safety Newsletter:

Please find the online safety newsletter for July attached to the newsletter email. During the summer holidays, children’s screen time does tend to increase and it is really important that children remain safe online.

Diversity Day:

Dear Parents and Carers,

On behalf of all the staff, I would like to extend our sincere thanks for your wonderful support in helping your children prepare for our Diversity Day celebration which took place in June.

We are especially grateful to all the families who supported their children in preparing for the day. Whether your child wore traditional or national dress, proudly dressed in the colours of a country or favourite football team, shared stories about their family's heritage, brought in an artefact, or simply joined in with enthusiasm, your support helped make the celebration vibrant, meaningful and inclusive. It was wonderful to see our pupils expressing their identities, interests and connections in so many different ways while learning to appreciate and celebrate the diversity of our school community.

Research shows that children who continue to use and develop their home or heritage language benefit in many ways. Maintaining a heritage language strengthens family relationships, supports children's sense of identity and belonging and contributes to their overall language and literacy development. Children who are confident in their first language often find it easier to learn additional languages and develop strong communication and thinking skills. Celebrating cultural diversity also helps all children grow into respectful, open-minded and globally aware individuals who value different perspectives and experiences.

We encourage you to continue speaking, reading, singing, and sharing stories in your home language with your children. Every language is a valuable part of our community and by nurturing these languages together, we help our children develop confidence, pride and a lifelong appreciation for their own heritage and the rich diversity of others.

Thank you once again for your continued support and for helping make Springhill Diversity Day such a special celebration. We are proud to work in partnership with families to create an inclusive school community where every child feels seen, valued and celebrated.

With best wishes,

Ola Dass
EAL Lead

Diversity Day:

Online Safety:

Online Kindness and Respect

Being kind online is just as important as being kind in person. However, it can sometimes be easier for people to say unkind things when they are behind a screen.

Children may experience or witness unkind behaviour online, including negative comments or exclusion. This can have a real impact on their feelings and confidence.

As a parent, you can encourage your child to treat others with respect online. Remind them to think about how their words might make someone else feel.

You can also talk about what to do if they see or experience unkind behaviour. This might include not responding, blocking the person, and telling a trusted adult.

Promoting kindness and empathy helps create safer and more positive online environments for everyone.

Sports News:

After last week's hot weather, which resulted in a number of cancellations of sports events, the children returned to their sporting activities this week.

Two U11 boys' teams played matches against Wordsworth Primary School, losing both games but playing some good football. Our U11 girls' team then played against Bevois Town Primary School, beating them quite comprehensively. The U9 mixed rounders team lost a close encounter versus Our Lady and St Joseph Catholic Primary School.

Well done to Amelie (4SW) who participated in the Dynamo Gymnastics annual competition recently where she picked up a gold medal in Floor, bronze in Beam, Ring and Overall, 4th place in Bar and 5th place in Vault.

'I was nervous but seeing Mum, Dad and my sister, Myah, helped. I train once a week and love doing this as much as playing football!'

Well done, Amelie!
