Sport News - Platinum Games Award:

The **School Games Mark** is a government-led award presented annually to primary and secondary schools based on their commitment to physical activity, physical education (PE) and school sport. It recognises schools' delivery of PE, participation in school sport, their link with local clubs and communities, and much more.

Schools receive Bronze, Silver and Gold in recognition of the above, and once Gold has been achieved for four continuous years, that school can apply for Platinum; this is the highest sporting accolade any school can achieve.

Springhill has achieved Gold for the past four years and was, therefore, eligible to apply for Platinum for the last academic year. Our application was submitted over the summer holidays and we are delighted to announce that, for the very first time, we have been awarded Platinum!

This confirms again our commitment to delivering excellent PE lessons, our staff receiving training for this, so many children representing the school in a variety of sports, working closely with Southampton FC, Hampshire Cricket, Solent Kestrels and many other clubs and so much more, all of which assist our children.

School Meal Prices:

From September 2026, the price of a school meal will be increasing to **£3.30 (£16.50 per week)**. In order to help you plan ahead, we also anticipate a further 5p per meal increase in September 2027 and 2028.

This price only applies to children in years 3-6 who are not eligible for Free School Meals. All children in years F, 1 and 2 will automatically be eligible for a free school meal under the Universal Infant Free School Meal scheme and many families with children in year 3-6 may be able to apply for a Free School Meal under the expanded scheme from September 2026.

Reminder: School meals should be paid for in advance via SCOPAY
